

MBR-1U

マウンティング・ブラケット

MBR-1U は、平坦なボードの下に 1Uの高さで 19 インチの幅を持った機器を取り付けるためのマウンティング・ブラケットです。

機器を取り付けるための M5 のネジが付属しています。

RDL の製品だけでなく、1Uの製品であれば、演壇や会議テーブル、レストランやバーのカウンターそして棚の下にも簡単に設置することができます。

RK-2U

Equipment Rack

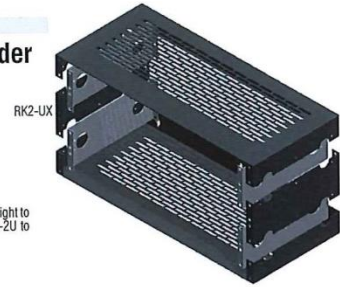

Height: 4.4 in. 11.2 cm;
Depth: 9.6 in. 24.4 cm;
Width: 19.9 in. 50.5 cm

The RK-2U is a versatile equipment rack designed to mount to any flat surface or to sit on a shelf. The rack holds standard 19" rack mounted equipment 2RU in height. Threads for either US #10-32 or metric M5 rackscrews are provided. The RK-2U is ideal for mounting RDL® racking accessories and modules and many industry products. Backboard or Shelf Mount.

RK-2UX

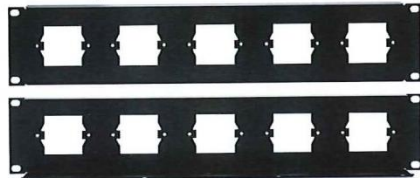

Equipment Rack Extender

The RK-2UX is an extension kit that adds 2RU in height to any RK-2U. Multiple kits may be added to an RK-2U to make it any height. Shown installed with RK-2U.

RM-EM5, RM-EMFP1

Rack adapter for 5 EM modules

The RM-EMFP1 is a filler panel for unused cutouts in an RM-EM5 rack chassis. The RM-EMFP1 is constructed of steel with a black powdercoat finish to match the appearance of the rack chassis.

The RM-EM5 is a 2 RU rack panel that mounts 5 European Modular (45 mm square) products such as the RDL EM series of modules and connector plates.

RC-1U

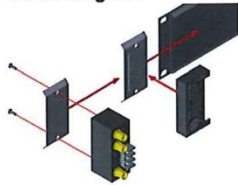

Universal Rack Chassis

The RC-1U holds up to 6 RACK-UP® products or 12 STICK-ON® modules. RACK-UPS, STICK-ONS and accessory panels may be installed in unlimited combinations. The RC-1U includes the standard 1RU chassis and a steel cover (not shown). The RC-1U is not recommended for MAX RACK-UP products.

MB-3

Mounting Kit

A STICK-ON or TX™ Series module mounts to an MB-3 bracket. The MB-3 bracket slides into the track of an FP-RRR or FP-RRAH FLAT-PAK® Series rack-mount panel.

MBR-1U

Mounting Kit

Threads for either US #10-32 or metric M5 rack screws are provided. The MBR-1U is ideal for mounting RDL racking accessories and many 1RU industry products. The MBR-1U mounting kit contains two brackets designed to mount to any flat surface or under a shelf. The brackets hold a standard 19" rack mounted equipment 1RU in height.

RC-BTR1 & RC-BTR2

Brass Trim Rings

ULTRASTYLE

SR-4 & SR-TB10

Mounting Rack for STICK-ON and TX Modules, Terminal Block Kit

The SR-4 is a universal module chassis that can mount to a backboard, wall or nearly any other support. It provides mounting for four STICK-ON power amplifiers or seven standard STICK-ON modules. TX™ modules may also be mounted. There is ample space for neat wire harnessing. Hole plugs are included to cover unused wiring holes. Four cable entry ports are provided, two on the bottom and one on each side. Each of these ports is designed either for cabling or mounting any AMS accessory. Two rear mounting holes in the SR-4 align with an RDL WB-2U (or standard double US electrical box) for wall mount installations with rear wire entry. The SR-TB10 terminal block kit includes a 10 position terminal block, polycarbonate label strip numbered 1 through 10 and mounting screws for use with the SR-4. This kit allows installers to build a customized product with screw connections using RDL modules.

UC-1 & UC-2

Utility Chassis

The UC-1 and 2 are ULTRASTYLE™ tabletop utility chassis for mounting RDL modules and accessories. The front panels feature single (UC-1) or dual (UC-2) RACK-UP mounting bays. The rear panels have identical mounting bays and are supplied with matching filler plates. The mounting bays fit RACK-UP® series products and AMS accessories. The interior provides space to mount various STICK-ON and TX series modules.

WB-1U & WB-2U

Universal Wall Mounting Boxes

WDG1L

Table Top "Wedge" Chassis

Folding tabs secure box in existing walls or cabinets. Side and rear mounting holes secure box in new construction. Fits North American and European walls.

The WDG1L is a tabletop enclosure for mounting any RACK-UP or MAX RACK-UP module. ULTRASTYLE™ design. All steel construction.

US-A1

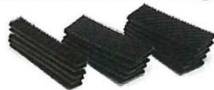

Mounting Adapter

The US-A1 is an ULTRASTYLE™ design adapter that allows single width products to mount in RDL WB-2U or US double electrical box (pictured with RLC-10R installed).

DMK5

Detachable Mounting Kit

The DMK5 includes a complete set of five detachable mounting tabs to mount RDL® modules.

RM-FP1 & RM-FP2

Filler Panels

Black 19" 1RU or 2RU rack-mounted filler panels match other RDL rack adapters.
